

Dear Head Professional,
I hope you are well.

My name is Adam Woods I am a member at Wrotham Heath Golf Club and Langley Park Golf Club. I have a love and a strong passion for golf my father got me into the game at a very young age, as I grew up, I continued to pursue a route in golf, I played golf for Kent County from the ages of 13 through to 18, and I am currently studying on a golf scholarship at Truett McConnell University in Georgia, in the United States. Whilst I am grateful for the opportunity and experience of studying and playing golf in America, I have realised that I would prefer to return to the UK to pursue my long-term goal of becoming a PGA Professional.

Since arriving in the United States, I have found being away from family and friends more challenging than expected, and I have also come to the conclusion that the route I am currently following is not providing me with the level of golf development I had hoped for. As a result, I have decided that returning to the UK and beginning the PGA training programme is the right step for my future career.

I am therefore seeking a position as a PGA Trainee Professional and would be extremely interested in discussing any current or future opportunities at your golf club. I am passionate about the game and eager to develop my skills in all aspects of the profession, including coaching, retail operations, customer service, club fitting, and golf event management, whilst working towards my PGA qualification.

My experience as a scholarship golfer has helped me develop discipline, commitment, teamwork, and professionalism, and I am confident that I would be a hardworking and enthusiastic member of your team. I am keen to learn from experienced professionals and to make a positive contribution to both the club and its members.

I have attached my CV for your consideration and would be very grateful for the opportunity to discuss any suitable vacancies or training opportunities you may have available.

Thank you for your time and consideration. I look forward to hearing from you.

Yours sincerely,

Adam Woods
