

DAVID COPSEY

PGA Golf Professional - Legends Tour

High Level Coaching • Club Fitting • Elite Player • Club Ambassador

Profile

Highly accomplished PGA Professional with extensive experience in high-performance coaching, premium indoor studio environments, and advanced club fitting. Renowned for a personable, polished communication style and the ability to work seamlessly with high-achieving clients as well as golfers of all levels. Delivers performance-led, measurable improvement through a modern, data-driven coaching approach, supported by TrackMan and Foresight technology. Brings elite playing experience as a Legends Tour member, combining technical expertise, strategic insight, and a deep understanding of performance preparation to deliver an exceptional, fully tailored client experience.

Key Skills & Strengths

- Fully qualified PGA Professional with extensive hands-on coaching experience for players of all abilities, including low single-figure golfers and professionals.
 - Elite coaching expertise, performance-led, measurable, and focused on sustainable long-term improvement while keeping sessions engaging.
 - Highly experienced in indoor studio coaching, including TrackMan IO and Foresight technology, enhancing the client experience through data-driven feedback and clear performance metrics.
 - Specialist in custom club fitting and equipment optimisation, delivering personalised solutions to maximise performance and enjoyment.
 - Strong elite playing experience, including five seasons on the Legends Tour and extensive experience on top courses across the UK, Europe, and the United States, enabling tailored course strategy guidance.
 - Excellent communicator, extremely personable, and comfortable working with high-achieving individuals as well as golfers of all levels.
 - Commercially aware and proactive, with experience managing diaries, member engagement, and balancing premium service with sustainable business growth.
 - Professional ambassador for the sport and the club, demonstrating integrity, enthusiasm, and a deep understanding of elite golf preparation and performance.
