LinkedIn: <https://www.linkedin.com/in/emanuele-re-ab7992104/>

*Professional golfer and PGA Trainee currently completing the Foundation Degree in Professional Golf Studies through the University of Birmingham and PGA UK. Experienced in supporting junior, beginner, and recreational golfers through individual and group coaching environments at both golf club and indoor golf facilities.*

*Combining experience gained as an Assistant Golf Professional with five years of leadership and project management experience in the automotive industry, I bring strong organisational skills, professionalism, and a player-centred approach to development. Fluent in Italian and English, with experience working in international environments and a commitment to creating enjoyable, inclusive, and effective learning experiences for golfers of all abilities.*

## Golf Experience

**Albisola Golf Club** (*Albisola Superiore*)

*10/2024 – Present*

As part of my PGA Training, I am currently assisting the head professional of Albisola Golf Club with the following:

- **Planning and delivering junior coaching** sessions;
- **Providing** technical and strategic **instruction** to golfers of varying abilities;
- **Organising** tournament **logistics**;
- **Assisting** junior golf **team** during tournaments;
- **Monitoring** athlete **progress** and **providing** constructive **feedback**;
- **Maintaining** practice **facilities** and **equipment** in good condition

**Il Pelagone Hotel & Golf Resort** (*Gavorrano*)

*07/2025 – 05/2026*

During the 2025–2026 season, I worked at Il Pelagone Hotel & Golf Resort, delivering introductory golf experiences, beginner programmes, and individual lessons to resort guests and club members. This included:

- Weekly **group introductory sessions** for all **resort guests**;
- **Individual lessons** for any guests and club members;
- **Beginner courses** including putting, chipping, long game, rules and etiquette as well as introduction to playing on the course;

**Albatros Indoor Golf** (*Ponderano*)

*01/2025 – 06/2025*

During the first semester of 2025, I have collaborated as Assistant Professional with Albatros Indoor Golf. My role there included:

- Assisting with planning and delivery of **introductory golf sessions** using **Trackman**
- **Providing** technical **instruction**
- **Ensuring** beginner **engagement**

## Education

### **Foundation Degree in Professional Golf Studies**

10/2024 - present

University of Birmingham & The PGA UK

Key areas of study: Golf Coaching, Applied Sports Science, Junior Development, Key Industry Skills and Golf Club Repair

### **Master of Engineering (MEng) – Medical Engineering**

09/2011 - 07/2015

Queen Mary University of London

Integrated core engineering principles with specialised medical applications.

## Professional Experience

### **Faurecia Emissions Control Technologies Italy Srl**

04/2017 - 04/2022

From April 2017 to April 2022, I have worked as a **Program Manager** for Faurecia, global automotive supplier specialising in emission control systems. This allowed me to develop strong leadership, communication, organisational and problem-solving skills in a demanding international environment. My role included but was not limited to:

- Acting as interface between Customer and internal teams
- Developing program plans in line with Customer milestones and business objectives
- Leading cross-functional teams to ensure successful program delivery
- Coordinating project reviews, action plans and stakeholder communication

## Certifications

Activities Coach Level 1 Certification

Safeguarding and Protecting Children Certification

Equality and Diversity Awareness Certification

## Key Skills

- Golf Instruction
