## Professional Profile

Experienced **Head Teaching Professional** with over **30 years of coaching, pro shop, and competitive golf experience**. Trained under former Women's British Open champion Vivian Saunders, with extensive expertise in **individual and group coaching, junior development programmes, and custom club fitting**.

Highly proficient in modern golf teaching technology, including **GASP technology, GC2 HMT launch monitor, Crossover technology, IG system**, and previously **BRS system**. Skilled in **lesson design, player development, and tournament preparation**, as well as **planning and managing UK and overseas Pro-Am participation**.

A competitive player with multiple regional Pro-Am victories, participant in the **Cornwall Alliance**, and **course record holder at St Enodoc Golf Club since May 2010**. Founder of the **St Enodoc NAGS Society**, promoting community golf engagement and member camaraderie.

Currently progressing towards full **PGA accreditation (expected October 2025)**, reflecting a strong commitment to ongoing professional development.
