Head of Golf XSEM July 2017 - August 2018

I was responsible for hosting and running corporate golf events and looking after high end clients. This involved every process from venue sourcing, proposal writing, account management, communicating on a regular basis with the customers, using software to run the events. Golf course set up with branding on 18 holes, MC ing the events, prize presentation, prizes and reports.

Head PGA Professional at Magnolia Park Golf & Country Club (February 2012 – June 2017)

I have a hands-on approach to delivering a very high level of service and quality coaching through use of diagnostic equipment such as Trackman, Cswing, V1 system, Zenolink, swingia and the gears 3dmotion system. This opportunity has allowed me to experience modern day coaching and have worked with elite and top performers including European Tour players.

I am actively promoting my business through various marketing streams such as social media and keeping website content up to date and also writing a blog and newsletters to my database to promote topic clinics and personal development programs.

Day to day running of the Club Operations ensuring the members visiting guests, societies and club matches enjoy the overall experience.

Head PGA Professional at Lopesan Meloneras Golf Resort (2008 - Dec 2011) - 3 years developing the coaching academy and Lopesan brand at this leading facility. In my time as Head of Teaching I established an academy which grew from a £90k turnover when I arrived into a £180K turnover with my PGA teaching staff conducting 140 lessons per week. During my employment here I coached players of all abilities from total beginners to leading amateurs and also carried out corporate and group coaching clinics.

Mark McGeehan golf academy (2004- 2008) - I established a teaching academy based at Bloxham Driving Range and quickly grew the business to 3 venues including Heythrop park and Brailes Golf Club. I also developed an on line facility to include coaching trips abroad. One of the achievements I am most proud of is the junior coaching and academies I developed not only at my venues but also at 4 of the local schools which proved a huge success.

Retail manger and teaching Professional (2001-2002) – Responsible for stock control, inventory orders, the merchandising of products, hosting club fitting and demo days, corporate events, whilst developing the academy.

Head Assistant Professional at Rye Hill Golf Club (1998 - 2001) - Responsible for the ongoing daily duties within the pro shop and golf club environment.

Monitoring stock rotation staff rotas and the administration of club competitions/open events

Established a large teaching clientele including golfers of all abilities from total beginners to county players and was responsible for the junior coaching and academies. I successfully started and completed my PGA training.
