PROFILE

I am a former professional golfer. I played on the European Tour for three seasons (2007–2009). I moved to the USA in 2010 and played on the Nationwide Tour for four years. After my playing career, I worked as a Teaching Professional and Brand Ambassador for FlightScope, FocusBand, and BodTrak, and served as the USA East Coast Sales Director for Druh Belts and Buckles. Throughout this time, I continued coaching golf, certifying myself under my coach's umbrella, David Leadbetter. I have since been working at Medalist Golf Club, where I teach, caddie, and assist with outside operations.
