Professional Experience at Somabay Golf

As an EPGA professional at Somabay Golf, one of the premier golf courses in Egypt and Africa, I have embraced a multifaceted role that extends beyond teaching to encompass a wide range of operational responsibilities. My primary focus is on delivering high-quality golf instruction, where I provide an average of 30-35 private lessons and 5 to 10 Platzreife (German playing certificate) sessions each week. Utilizing advanced video tuition technology, including C Swing, V1 Pro 2010, and Flight Scope, I strive to enhance the learning experience for my students, ensuring they receive personalized feedback to improve their skills.

In addition to my teaching duties, I have taken on the responsibility of organizing and managing golf tournaments at Somabay Golf. This role involves comprehensive oversight of golf operations, including the supervision and management of staff, which is essential for ensuring smooth and successful events. I meticulously coordinate all tee times and lessons for Swedish Golf Plaisir golfers, ensuring that each participant has an enjoyable and fulfilling experience on the course.

My responsibilities also extend to the administration of the golf shop, where I manage inventory and order supplies to meet the needs of our clientele. Furthermore, I prioritize guest relations by overseeing day-to-day operations, ensuring that all visitors feel welcomed and well-cared for during their time at the course. My role as a marshal involves maintaining the pace of play and enhancing the overall experience for golfers on the course.
