## PROFILE

I am a fully qualified PGA Professional working for the last three years at Arbroath Golf Links. My PGA Membership number is 0161786. I have been in the golf industry for around 20 years now, from elite amateur playing, to college in the US, to my Professional job at Arbroath creating a very diverse background with a wealth of knowledge of the golf industry.

## SKILLS

- Level 2 Coaching Certificate
- Trackman University Levels 1 & 2
- Highly proficient across Office 365
- Sales Management
- First Aid & CPR trained
- Strong computer & data analysis
- Full clean UK Driver's Licence
- Strong Communication

## EXPERIENCE

### ASSISTANT PGA PROFESSIONAL

Arbroath Golf Links/ Craig Knowles 11

2022 - Present

During my time at Arbroath Golf Links, I have been given the opportunity to express my knowledge of business in the golf industry. I have developed strong sales and marketing plans to increase our sales margin to 38.9% across our equipment and soft good brands, as well as bringing new clients to the shop from across the county. This increase in sales margin has been down to the restructuring of our brands from the use of sale reports and market research to find the best brands for our client base. I have also been able to increase my coaching clients from zero at the beginning to now over 25 repeat customers, showing both a quality of service and also continually improving my own coaching knowledge and how to relate that information to the client.

### LEAD PGA COACH- MONIFIETH JUNIOR ELITE GROUP

Monifieth Junior Golf Academy

2025- Present

I have been fortunate to take on a new role as the lead PGA Coach for the Monifieth Junior Academy, where we specialise in the Elite program. This ranges from coaching to encouraging young juniors to be their best and enjoy the game of golf at the highest level. I have been fortunate to work with two juniors who have been scouted for Angus County.

## EDUCATION

### DIPHE PROFESSIONAL GOLF

University of Highlands and Islands

2022- 2025

### BACHELOR OF BUSINESS MANAGEMENT

Colorado State University Pueblo

2017-2021
