PROFESSIONAL EXPERIENCE

PGA TEACHING PROFESSIONAL

İZMİR GOLF - İZMİR- 2017-2020

PGA education and professional development in Birmingham, with practical experience in golf instruction, club fitting, and Pro Shop operations. Coaching players of different skill levels.

As part of a partnership between the local community and the golf club, introduced numerous children to golf and supported their development as players.

PGA ASSISTANT PROFESSIONAL

DREAMLAND GOLF - BAKU - 2015-2016

The professional structure and well-equipped team at the IMG Golf Academy provided me with valuable experience as a PGA Assistant Professional. I had the opportunity to use the academy's modern training technologies when coaching competitive players. As an assistant within the academy and to the Head PGA Professional, I was also involved in planning and delivering numerous tournaments and events for club members.

NATIONAL TEAM ASSISTANT COACH

TURKISH GOLF FEDERATION - ISTANBUL - 2011-2015

As an Assistant Coach, I supported the Turkish Golf Federation's tournaments and training programmes. I assisted players during national and international training camps and supported their development as competitive golfers.

I also worked with national team candidates and supported communication between the players and international coaches. In the absence of the Head Coach, I delivered the planned training sessions. In addition, I was involved in club fitting and golf-specific fitness testing.

GOLF TEACHING PROFESSIONAL

KLASSIS GC - ISTANBUL - 2008-2009

I supported club members in learning the game of golf and improving their skills. I was also actively involved in organising tournaments and junior programmes and coached local students in golf.

In addition, I worked in the Pro Shop, supporting sales and customer service.
