Personal Profile

A motivated, reliable and eager person with strong communication skills and committed to giving an excellent service. At a young age I am experienced at working within a big team environment and building positive relationships with colleagues and members through Golf. Seeking an opportunity with a progressive golf club to develop my qualifications and contribute in a team.

Key Skills

- Customer service and relationship building
- Sales and retail experience
- Organisation and time management
- Teamwork and leadership
- IT Skills (Booking system/tee time management)
- Experience in running tournaments
- Reliable

Work experience

- Paper Boy – (2015-2018) – responsible for the delivery of 150 papers every Sunday morning in my local area
- Costa – (2018-2020) – learnt how to work in a stressful environment at a young age
- Boots – (Christmas 2020)- stock checking and stock rotation during a busy Christmas period
- Golf Shop Assistant- (2021-2023) – making sure competitions ran smoothly of a weekend, cleaning and putting away carts at the end of the day, working in the shop, collecting greenfees
- Golf Caddy- (2021-2023)- one day a week, building relationships, making sure that the guests enjoyed there round as much as possible, caddied in a EU Legends Tour event
- The Club at Admirals Cove – (2023 Winter Season) – opportunity to work in one of the biggest private golf clubs in America, worked in the golf shop ordering clubs, stock rotation, ball orders, booking tee times. One of the most profitable golf shops in Florida where I developed a lot of communication skills with a different culture.
- Apogee Golf Club – (2024 & 2025 Winter Seasons) – after a successful year at Admirals Cove I got an opportunity to work at Apogee, a brand new state of the art ‘Golf Mecca’. Here I caddied 7 days a week in the mornings and in the afternoon ran the outside operations with a couple of other colleagues. In this job we were responsible for the closing shift of three golf courses and 65 acre 360 degree driving range. Here we learned valuable leadership skills and time management skills as we didn’t have much time to

close down the facility. During my 2 ½ years caddying I believe I have developed a lot of personal skills with every walk of life and met some of the games greats like Tiger Woods and Rory McIlroy.

- Fresh Meadow County Club – (2024 & 2025 Summer Seasons) – working at Fresh Meadow was the same job as Apogee just in New York, so seemed more stressful as everything was non stop, here I was again caddying in the mornings and then responsible for clean picking the range every night making sure no ball is left on the grass. At Fresh Meadow I was responsible for running charity outings which really developed my communication skills and made sure that I was on top of my emails so I wouldn't miss any important news.

Education

- Maricourt High School (2015-2019)
- Maricourt High School Sixth Form (2019-2021)
